To whom it may concern,

I have personally known Naomi Rowell for over 25 years. During this time, Naomi has assisted me in various capacities with two separate businesses that I have owned. This has included bookkeeping, business setup, and office management.

In all these capacities I have found Naomi to be very knowledgeable, thorough, and reliable. In regards to bookkeeping and accounting, she has shown herself to be extremely meticulous and precise. Because of this, her efforts proved to be greatly beneficial to my business.

I enthusiastically recommend Naomi to anyone who is considering utilizing her services.

Sincerely,

Peter Cerone  
President
