To Whom It May Concern,

It is my pleasure to recommend Naomi Rowell of PC Bookkeeper Inc. to businesses needing a bookkeeper with attention to detail, organization and reliability. As an entrepreneur and owner of different businesses, Ms. Rowell has been able to provide excellent accounting services for each one.

Naomi also assisted me in setting up many of the details of our non-profit organization from accounting to the completion of our 501C3 tax return. The convenience of remote service was available to us when we were traveling or visiting out-of-state. Naomi was always available for consultation on the accounts and would also help us organize our records and files in our offices.

Outsourcing to Naomi Rowell of PC Bookkeeper Inc. saved us money and gave me the time to focus on building our businesses and non-profit ventures.

She has a penchant for details and accountability something that allows me to know my companies are organized.

Sincerely,
